A UNIVERSALLY ACCESSIBLE PLAYGROUND PROJECT

BROUGHT TO YOU BY:

Where **limitations** are forgotten,
and **differences** are celebrated

Why do Playgrounds Matter?

Play is a critical part of the social, emotional, cognitive, and physical development of every child. Unfortunately, the vast majority of playgrounds deny children with disabilities and critical illnesses the opportunity for exercise, entertainment, and social interactions that other children enjoy. In fact, only a small percentage of fully accessible playgrounds exist within our nation and these are insufficient to serve 43 million Americans with disabilities.

An **Inclusive Playground** is specifically designed to remove physical and social barriers so ALL children, with and without disabilities and/or critical illnesses, can play side by side with their peers and families.

To be located in St. James, MO Tiger's Jungle Club Playground will be an Unlimited Play inclusive playground — a place where limitations will be forgotten and differences are celebrated!

The Vision

Hi, we're the Boulwares- Joe, Michelle, Christopher, Anna & Rose. Since opening our business in 2018, we've made it our mission to use it as a platform for giving back to our communities. We crunched the numbers & in these 5 short years we have given away

TWENTY THOUSAND (\$20,000!!) dollars to these causes. We are invested here. We love the St. James/Rolla communities & have so much gratitude for you all sustaining our dream & small business.

Part of our story that we've mentioned in the past is our journey to parenthood. Within our first year of marriage we lost a baby daughter at 22.5 weeks gestation. For our 10th wedding anniversary, Joe began the Kaylor Katherine Foundation for us to have a 501(c)3 to channel our charitable giving to an organization of our own that we can use for the betterment of things close to our hearts. We were thankful to team up with Beau's Buddies & bring a CuddleCot to Phelps Health so that families can have more time to grieve with their infants. Next on our agenda is bringing an All-Inclusive, ADA accessible playground to St. James. We believe every child should be able to play safely & with their peers. We invite you to follow our foundation & if you're inclined, to see how you can make this a reality for the 150+ kids in our area who deserve to play safely. The playground is an upgrade to all of the current equipment to bring something special to all of the kids near and far that would like to visit our beautiful community! We would feel blessed to have your help on this journey!
